Hi Ryan and Melissa,

We are happy to work with you and extend the deadline to April 28. We are still on a very tight schedule so let me know if this extension ends up being a problem.

EXTERNAL MESSAGE

Gretchen,

Melissa Leasure will be spearheading the production related to the ProAct Subpoena and I've included her on this email. I'm optimistic that we can respond, at least in part, to this subpoena in a shorter timeframe when compared to the Cabell subpoena. The current production date on the subpoena is tomorrow. We need to speak with one more individual before responding. Once that occurs, I think we'll be able to put together a production relatively quickly. May we have until April 28th to respond to this subpoena?
